New York Oct. 4.—The National league championship season in New York ended today under unfavorable circumstances. Philadelphia forfeited the second game to the locals. The first contest was won by the home team, 6 to 5, and in the second the score in the fourth inning was 1 to 1, when Pitcher Moren objected to a ball that had been called on Wilson. Mullen, a new umpire, who was in the Western league this year, put Moren out of the game and also ejected Knabe and Doolan. The latter two Philadelphia players refused to leave the field when ordered to do so by the umpire, and after vainly waiting for Manager Murray to provide substitutes for chem, Umpire Mullen awarded the game to New York, 9 to 9.

ances of the winners in several events approached close to the record.

The closest contest of the night was in the two mile run, which was won by Mike Driscoll of Yonkers in 9.39, a fraction of a second faster than George Bonhag's former performance in 9.39 1-5. Driscoll had as competitors all the way Sullivan, the Irish-American star, H. A. Wilson, formerly of England, and G. A. Dull of Michigan, who wore the colors of the Pittsburg Athletic association.

Harry Gissing of the New York Athletic club took the thousand yard run in 2.18 4-5 after a gruelling finish with Bromilow of the Irish-Americans, Gis-sing's time was 1 2-3 seconds faster than that which won him the same race last year. Lunghi, the Italian runner, of whom great things were expected, finished sixth in this event. This was explained, however, by the fact that it was his first attempt at running on a board track. Melvin W. Sheppard did not run, reserving his strength for the six hundred yard race

At the end of tonight's twelve events the Irish-American A. C. led with 41 points and the New York A. C. was second with 33. The programme will be repeated tonight.
